RE: Canonical Amendment: Of Delegates to the Annual Convention

SUBMITTED BY: Committee on Canons

CONTACT PERSON: Gordon Gayer, Esq., Chancellor, gkgayer@gmail.com

~~Strikethrough~~ language to be deleted

Underlined language to be added

- 1 Resolved that Canon 19, Section 1 of the Diocesan Canons be amended to read:
- 2 Section 1. The number of Lay Delegates to which a parish or mission is entitled at any
- 3 convention of the Diocese of Maine will be based on the Average Sunday Attendance
- 4 specified in the Annual Parochial Report for the ~~calendar year just passed.~~ most recent
- 5 year for which the filing deadline for Annual Parochial Reports shall have passed. All
- 6 doubtful cases shall be submitted to the Bishop for decision.

Explanation

This amendment addresses an anomaly which will arise under current Canon 19 in connection with the proposed Special Convention to elect the Tenth Bishop of Maine in February 2019. The number of delegates which a parish or mission may send to any diocesan convention (regular or special) is based on the Average Sunday Attendance (ASA) reported to the diocese on the Annual Parochial Report. The Episcopal Church requires that Annual Parochial Reports be submitted by March 1 of each year. Yet, our current diocesan Canon 19 pegs the number of convention delegates to the ASA reported "for the year just passed." This raises the possibility that some congregations would need to determine their rightful number of delegates to the February 2019 Special Electing Convention before their Reports for the calendar year 2018 (i.e., "the year just passed") shall have been filed.

The proposed solution to this anomaly is to base the number of delegates on the Report for the most recent year for which the filing deadline shall have passed. As a practical matter, this means that the number of delegates to the February 2019 Special Convention to elect a new bishop would be based of the Annual Parochial Reports submitted early in 2018 for the calendar year 2017.

RE: Canonical Amendment: Of the Episcopate Fund

SUBMITTED BY: Committee on Canons

CONTACT PERSON: Gordon Gayer, Esq., Chancellor, gkgayer@gmail.com

~~Strikethrough~~ language to be deleted

Underlined language to be added

- 1 Resolved that Canon 20 of the Diocesan Canons be amended to read:

2 Each Parish and Organized Mission shall pay annually to the Episcopate Fund a sum
3 set by Convention for each communicant reported under Canon "Of Communicants". in
4 good standing on its Annual Parochial Report for the year just passed.

Explanation

The existing Canon 20 refers to a former canon which has been repealed. The proposed amendment brings it up to date by tying the Episcopate Fund to communicants in good standing on the most recent Annual Parochial Report.

RESOLUTION #3

RE: Clergy Compensation for 2018

SUBMITTED BY: The Diocesan Compensation Committee

CONTACT PERSON: Peter Bickford, Chair, (207) 583-5797, pmbick@myfairpoint.net

1 Resolved, that the minimum compensation for a presbyter in full time service, consisting
2 of Cash Stipend, Self Employment Tax reimbursement, and Housing and Utilities
3 Allowance ("Total Clergy Compensation") is to be the midpoint between the average
4 classroom teacher and the average administrator (not including superintendents)
5 salaries in each community the church is in as published in 2015 by the Maine
6 Department of Education increased by the 1.0 percent rise in the Consumer Price Index
7 for All Urban Consumers ("CPI-U") for the twelve months ending June 2016 and further
8 increased by the 0.7 percent rise in the Consumer Price Index for ALL Urban Consumers
9 ("CPI-U") for the twelve months ending June 2017. Such base amounts for 2018 are set
10 forth in Attachment #1; and be it further

11 Resolved, that it is recommended presbyters be compensated above the required
12 minimum taking into account such things as years of ordained service in ministry, merit,
13 experience, and other relevant factors, and be it further

14 Resolved, that the guidelines for minimum compensation for supply clergy be as follows:

15 One Sunday Service \$150.00

16 Two Sunday Services \$200.00

17 Other Liturgical Services \$85.00

18 Pastoral or other assigned responsibilities \$85.00 per unit*

- 19 * = a unit is a morning, afternoon or evening
- 20 Expenses are reimbursed at cost for meals, lodging, telephone, etc., and at the IRS
- 21 maximum approved rate for mileage, which can be found on the Diocesan web site.

Explanation

1. *Setting the minimum this way ties it to the local socio-economic status of the community the church is in.*
2. *The size/type of the congregation is not considered since an unintended consequence of that method is to monetarily value the work of a presbyter in a large congregation more than that of one in a small congregation.*
3. *While no set increase for years of service or merit is provided this resolution still recommends that these factors be considered when determining the presbyter's compensation beyond the minimum level. The Compensation Handbook for the Diocese of Maine October 2014 Revision contains a discussion of these factors and suggestions for implementing them.*
4. *Please see Attachment #1 for the minimum salary allowed for a full-time presbyter in each congregation as calculated with the latest data available from the Maine Department of Education (2015), as adjusted for the twelve month (July 2015 to June 2016) change in the Consumer Price Index for all Urban Consumers and further adjusted for the twelve month (July 2016 to June 2017) change in the Consumer Price Index for all Urban Consumers , noting that "administrators" include all administrators except superintendents. Remembering that these are minimums, no adjustments are recommended in these numbers for a "lag" in the data.*
5. *This resolution does not change existing Letters of Agreement which are still in effect.*
6. *The formula for calculating the Self Employment Tax as well as the formula for calculating the value of provided housing as part of Total Clergy Compensation can be found in the Compensation Handbook for the Diocese of Maine October 2014 Revision.*
7. *The Diocese of Maine is canonically required to bring forth a resolution to Convention outlining clergy compensation for the coming year.*

RESOLUTION #4

RE: Lay Compensation for 2018

SUBMITTED BY: The Diocesan Clerical and Lay Compensation Committee; Maine Episcopal Network for Justice; and St. Peter's, Rockland.

CONTACT PERSON: Peter Bickford, Chair, (207) 583-5797, pmbick@myfairpoint.net

- 1 Resolved that the minimum compensation for lay employees who are paid for more than
- 2 250 hours annually by any congregation in union with the Diocese of Maine or by any
- 3 related ministries in the Diocese shall be no less than \$13.00 per hour or its equivalent in
- 4 salary.

Explanation

1. The intent of this resolution is to call for the establishment of a Living Wage for all lay employees, confirming the long-standing policy of The Episcopal Church to support fair, just, and living wages for all of those employed by Episcopal congregations or related ministries. This resolution represents the second year in four-year effort to reach the goal to achieve a minimum hourly wage of \$15.00 to conform to the resolution of Executive Council by 2020.

2. The floor of 250 hours is intended to exempt teenagers or very occasional workers who might do seasonal work such as shoveling snow or mowing the lawn.

3. The Maine Minimum Wage of \$9.00 became effective on January 1, 2017. The Diocese of Maine minimum compensation for lay employees in 2017 is \$12.00.

4. Please see Attachment #1 Executive Council Resolution: Support a Living Wage, passed June 2016.

RESOLUTION #5

RE: Concerning the Forfeiture of Union with St. Barnabas', Augusta
SUBMITTED BY: The Standing Committee
CONTACT: Ms Brenda Hamilton, President *pro tem* dirtgirl63@gmail.com

- 1 Resolved, that, in accordance with Article VIII, Section 5, of the Constitution of the
2 Diocese of Maine, and upon the recommendation of the Bishop and Standing
3 Committee, this 198th Convention of the Episcopal Diocese of Maine establish that the
4 union with St. Barnabas', Augusta (an organized mission) and its right to representation
5 at Convention are forfeit;
- 6 And be it further resolved, that we offer our prayers of thanksgiving for the life and
7 Ministry of St. Barnabas', and pledge our continued prayers and support for The
8 Episcopal Church Saints Matthew and Barnabas as they grow in faith and life together.

Explanation

The Church of St. Barnabas, Augusta, began worshiping with the Church of St. Matthew, Hallowell, in the spring of 2016. At their Annual Meetings in 2017, the members of both congregations voted to join together into a single worshipping community. Since then, the congregations have been exploring the best means to accomplish their goal. It has now been decided that the most straightforward process for joining the two congregations is to bring an end to St. Barnabas as a freestanding mission, and to rename St. Matthew to reflect the inclusion of the St. Barnabas congregation. The resulting community will be named The Episcopal Church of Saints Matthew and Barnabas and will worship in Hallowell. Transfer of assets to Saints Matthew and Barnabas and disposition of the St. Barnabas church property will be accomplished in the coming months.

RESOLUTION #6

72 12. The Bishop, upon the recommendations of the Transition Committee and in
73 consultation with the Standing Committee, may adopt special rules and procedures for
74 the conduct of the election, including, but not limited to, time for prayer, methods for
75 voting, guidelines on the use of social media, and limitations on access to the floor of the
76 Electing Convention by persons other than delegates to the Convention.

77 13. The Tenth Bishop shall be elected from among Nominees for Bishop Diocesan.
78 Nominations from the floor will be ruled out of order. Any Nominee may withdraw from
79 the election at any time in person or by phone or designated representative.

80 14. In the event the time provided for the election expires without an election the Bishop,
81 in consultation with the Standing Committee, may recess the Convention to a date
82 certain or to a date to be set by the Standing Committee; or by a vote of the Standing
83 Committee, the Bishop may declare the election to be at an end, may vacate the
84 nominations, dissolve the Discernment and Transition Committees, and order the
85 appointment of new Committees and a new election and transition process.

86 15. The election and consecration process of the Tenth Bishop shall be subject to the
87 satisfactory completion of the examinations required by The Episcopal Church and the
88 receipt of the necessary consents from the Bishops and Standing Committees of the
89 several dioceses. It shall further be subject to the signing of a Letter of Agreement
90 establishing compensation and other financial matters between the Bishop-elect and the
91 Standing Committee.

Explanation

The proposed rules for the Election of the Tenth Bishop are drawn from the Raising Up of Episcopal Leadership, the Transition Manual of the Office of Pastoral Development (the body charged with overseeing episcopal elections). They are intended to offer guidance and parameters for the Standing Committee and the various Committees responsible for the transition process. In order to give those involved the greatest possible flexibility, the guidelines are offered without specific target numbers, except for the number of signatories required for Nomination by Petition.

Our process needs to acknowledge that our capacity as a diocese to field large committees, while maintaining our standing bodies, is diminished. The current recommendation as to the size of Discernment and Transition Committees is twelve (12) each. The Standing Committee intends to have Discernment and Transition committees fully representative of our diocese within these recommendations.

This election takes place in the context of smaller pools of candidates than in the past. The recommendation as to the ideal size of the slate of Nominees is no fewer than three (3).

Since the last transition process, the roles of the Discernment and Transition Committees have changed. The Discernment Committee is responsible for creating the electronic Profile of the Diocese, seeking candidates and presenting a slate of Nominees. The Transition Committee seeks and interviews Nominees by Petition, organizes the presentation of Nominees (the Walkabout), the electing convention, and, in consultation with the Ninth Bishop and the Presiding Bishop, the transition and consecration.

Members of Committees must be canonically resident clergy or lay communicants in good standing of a parish or mission in union with the Diocese; and must be able to attend frequent meetings for a year and actively participate in the work of the committee. It would be helpful if committee members are knowledgeable of the polity and ministries of The Episcopal Church and the Diocese of Maine.

SUBSTITUTE RESOLUTION #7

RE: Support of the Holy Land's Children

SUBMITTED BY: Episcopal Peace Fellowship - Maine Chapter

CONTACT: Edward McCarthy, 207-293-2439, ecmccar@gmail.com

1 Resolved, that we of the Episcopal Diocese of Maine, assembled in its 198th
2 Convention, call upon the Maine Deputation to General Convention to request the
3 the 79th General Convention of The Episcopal Church to ask that Israeli Prime Minister
4 Netanyahu and Palestinian President Abbas provide assurances that their governments
5 accord those under 18 years of age the full range of rights and protections called for
6 under the international agreements to which they have subscribed.

7 And be it further resolved, that we call upon President Trump, Secretary of State Rex
8 Tillerson, U.N. Representative Nikki Haley, the Congressional Foreign Affairs Committee,
9 and the Maine Congressional Delegation to persuade the Israeli and Palestinian
10 leadership to sustain their commitments to international law with regard to children's
11 rights and welfare, and that they ensure that children held in custody will not, as has
12 often been alleged, be subjected to coercion, physical or psychological abuse, or even
13 torture.

14 And be it further resolved, that we ask the Episcopal Diocese of Maine Deputation to
15 General Convention to invite the deputations to General Convention from other New
16 England dioceses and their bishops to sign onto this resolution.

Explanation

The Episcopal Church has had an enduring commitment to the Holy Land and its people, as well as to achievement of a peace settlement that would serve the interests and welfare of both Israelis and Palestinians, and the United States government has over many years invested much time and resources in the accomplishment of a durable Israeli-Palestinian peace.,

However, there is much evidence indicating that current Israeli and Palestinian leaders lack both the will and ability to work toward a reasonable settlement in the foreseeable future. That lack of will to effect a peaceful solution directly impacts children in the region. UNICEF, Defense of Children International-Palestine (DCI-P) and other organizations working on behalf of children have provided evidence that neither Israel nor the Palestinian Authority, despite having subscribed to the United Nations Convention on the Rights of the Child, has fully adhered to international law applicable to the treatment of Palestinian children.

Early June of this year marked the 50th anniversary of Israel's military occupation of the West Bank and Gaza. The occupation continues to be the longest and most effective of modern times. The burden of occupation falls upon all Palestinian residents of the West Bank and Gaza, but it falls most notably on Palestinian children, i.e., those under 18 and living in the Occupied Territories. They are almost half of all Palestinians living in the West Bank or Gaza, and, if those up to age 25 are counted, young people are the majority of those living in the Territories. All they have known during their lives has been the occupation, with its restrictions on movement, home demolitions, night time arrests and numerous other humiliations and oppressions. They are subject to Israeli military rule rather than to civil courts. That is not the case with regard to Jewish youth, many of them children of Israeli settlers reside in violation of international law. Their Israeli citizenship entitles them to jurisdiction by Israeli civilian authorities. To paraphrase George Orwell, all may be equal in their humanity, but some are more equal than others.

Other religious denominations and agencies have recognized and addressed the injustices involved. Churches for Middle East Peace, a coalition of 27 churches and affiliated organizations including The Episcopal Church, has made advocacy for Palestinian children a priority. Both the Presbyterian Church-USA in 2016 and, most recently, the United Church of Christ have adopted measures calling for change in Israeli policy and behavior toward Palestinian juveniles as well as for vigorous American government action to bring about such change.¹ The American Friends Service Committee has over the past two years partnered with Defense of Children International-Palestine (DCI-P) to document charges that Palestinian youth detained by the Israeli military have had their rights under the United Nations Convention on the Rights of the Child and other relevant provisions of international law systematically disregarded. DCI-P also has produced evidence that arrests by the Palestinian Authority have involved similar abuses.² Studies by UNICEF between 2010 and 2016 have also indicated that "ill treatment of Palestinian children in the Israeli military detention system appears to be widespread, systematic and institutionalized."³

Ideally, the situation would be resolved by way of negotiations between Israeli and Palestinian leadership. The facts are, however, that Palestinian leadership is weak and divided and the Israelis have little incentive to change the status quo. There seems little alternative to trying to humanize an occupation likely to continue for many years to come.

Both Israel and the State of Palestine have signed on to the Convention on the Rights of the Child. Both should fully meet their obligations under that measure. What is being asked is far

from extreme. Provisions such as imprisonment only as a last resort; access to legal counsel; parents' presence during interrogation; and freedom from physical or psychological coercion, abuse, or violence, are protections only to be expected.

Israel's occupation of Palestinian lands is singular in its length and thoroughness. If the occupation is to continue into the foreseeable future, as appears to be the case, its uniqueness should extend to guaranteeing the rights all children have under international law.

Change 3

At the 191st Annual Convention in 2010, a new clergy disciplinary canon (*Of Misconduct by a Priest or Deacon*) was approved to replace the previous disciplinary Canons 25 and 26. It was titled Canon 27 without anyone noticing that there was already an existing Canon 27 (called, ironically, *Of Amendments to the Canons*.) We propose an editorial change that will rename the current disciplinary canon as Canon 26. Canon 25 will be marked as “Held in Reserve.”
