16:25:38 From Barbara Barth : I've learned how to use the whiteboard last week and practiced today.

16:42:22 From Diocese of Maine Staff : above all staying connected...

16:45:03 From Barbara Barth : Use the YouTube videos or other tutorials. I found them helpful. Engage the help of a college age student via technology.

16:50:55 From Nina Pooley : Need to grab a cup of tea and the power cord for my laptop... back in a few. Thanks Barb and all.

16:54:53 From Rev. Lauren Kay : Internet is a struggle here. I may disappear and reappear from time to time...

16:59:50 From abish : Johanna Here. Hi everyone!

17:00:05 From Kit Wang (he/they) : Folks can change their names to their name by clicking the three dots to the right of your picture frame, and then "rename"

17:02:06 From Diocese of Maine Staff : Everyone, could you mute your microphone unless you're speaking?

17:02:17 From Wayne : Is there a trick to getting volume?

17:02:37 From Diocese of Maine Staff : Use the volume speaker control on your computer, or switch to phone audio

17:02:44 From Diocese of Maine Staff : Click the little mike button on your lower left screen so there's a slash line through it to mute.

17:03:17 From Rev. Lauren Kay (they/them) to Diocese of Maine Staff(Privately) : I think the arrow to the right of your microphone as host allows you to mute everyone and unmute only the desired speaker... Not sure how that works in this large of a meeting...

17:03:32 From Diocese of Maine Staff : Bishop, could you please invite everyone to use the chat function? Thanks.

17:06:51 From Nate Ferrell : Is there any reason to discourage "home communion" by our people while we are live streaming the Eucharist? Using their own elements at home?

17:07:16 From Diocese of Maine Staff to Sara D'Angio White(Privately) : which cutie is on your lap?

17:07:37 From Sara D'Angio White to Diocese of Maine Staff(Privately) : Mila!

17:09:01 From Diocesan Zoom : Can virtual services continue

17:09:48 From Diocese of Maine Staff to Sara D'Angio White(Privately) : Keep a log about who has been in and out of your building

17:10:10 From Susan : We are not the sole users of our building. It's the Friend's Church and we cannot monitor their activity.

17:10:31 From Diocese of Maine Staff to Sara D'Angio White(Privately) : Did that file come thru?

17:10:45 From Brent Was : Does that mean that AA must cease?

17:10:56 From Ben Shambaugh : So lifestream with one person from our churches?

17:10:57 From Sara D'Angio White to Diocese of Maine Staff(Privately) : What file? You're still talking to me :)

17:11:08 From Patricia Welton : All our AA meetings have closed as of Monday here in Hallowell.

17:11:13 From TAR : I suggest you enter into conversation about health security and follow agreed upon procedures taking into account the concerns discussed by Bishop Brown.

17:11:22 From Ben Shambaugh : How do you do food pantry or St Es if they need several volunteers to run?

17:11:30 From Susan : We're planning "Moveable Feast" outdoors at undisclosed venues, and broadcast w/FB, Zoom, and recorded to YouTube w/cell data.
