Brief Explanation:

The ministry of “Walking Together: A Faithful Response to Those Made Vulnerable in Uncertain Times” arises from our baptismal covenant to seek and serve Christ in all persons, and to strive for justice and peace among all people.

We recognize that immigrants, LGBTQ+ siblings, and others who are vulnerable often live with fear, uncertainty, and discrimination. As followers of Jesus, we are called to walk not alone but together, heeding the words of the African proverb: “If you want to walk fast, walk alone. If you want to walk far, walk with others.”

The prophet Micah reminds us of God’s expectation: “to act justly, to love mercy, and to walk humbly with your God” (Micah 6:8). Walking Together embodies this call by grounding its work in:

Prayer: holding one another before God, and shaping worship that affirms the dignity and gifts of immigrants and LGBTQ+ communities.

Relationship Building: fostering bonds of trust and solidarity with immigrant and LGBTQ+ neighbors, as well as with congregations and community partners.

Advocacy: speaking with and alongside marginalized communities to uphold their dignity in the public square.

Education: equipping congregations with resources and learning opportunities that expand understanding and compassion.

Service: accompanying our neighbors with tangible acts of love, welcome, and support.

By establishing Walking Together as a diocesan ministry, the Episcopal Diocese of Maine proclaims our commitment to walk faithfully with those on the margins, to strengthen our witness of love and justice, and to build a community where no one is left to walk alone.

Does this resolution have any budgetary impacts to the Episcopal Diocese of Maine (EDOM) Annual Budget? Yes

What are the one-time implementation costs to the diocesan budget? Please explain: We are requesting a one-time allocation of \$2,500 in the new fiscal year budget to establish the Walking Together ministry as an ongoing diocesan ministry. This funding will provide support and solidarity for all churches in the diocese to actively participate on behalf of our immigrant and LGBTQ+ brothers, sisters, and siblings who are being wrongfully profiled, and who risk detention, deportation, and family separation.

This ministry was previously formed in response to resolutions passed by the 79th General Convention of the Episcopal Church and modeled after a similar ministry of the Washington National Cathedral in support of immigrants and calling for meaningful reform of U.S. immigration law, policy, and practice.

Please explain the financial impact to the diocesan budget expressed in annual terms. Will there be a recurring annual cost to continue the program? We hope for a similar, if not slightly larger, allocation in the years ahead to establish “Walking Together” as a firmly established diocesan ministry.
